Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	\$1,000 individual / \$2,000 family	See the Common Medical Events chart below for your costs for services this <a href="#">plan</a> covers.
Are there services covered before you meet your <a href="#">deductible</a> ?	Yes. <a href="#">Preventive care</a> , <a href="#">generic preventive drugs</a> and \$0 Copay Telemedicine services are covered.	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other <a href="#">deductibles</a> for specific services?	No.	You don't have to meet <a href="#">deductibles</a> for specific services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	N/A	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.
What is not included in the <a href="#">out-of-pocket limit</a> ?	<a href="#">Premiums</a> , <a href="#">balance-billing</a> charges, and health care this <a href="#">plan</a> doesn't cover.	This <a href="#">plan</a> does not have an <a href="#">out-of-pocket limit</a> on your expenses.
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. See <a href="http://www.Findvaultproviders.com">www.Findvaultproviders.com</a> or call 1-866-244-7796 for a list of network providers.	This <a href="#">plan</a> uses a provider <a href="#">network</a> . In office services are only covered when you use a <a href="#">provider</a> in the plan's <a href="#">network</a> . If you use an <a href="#">out-of-network provider</a> , you will likely receive a bill from a <a href="#">provider</a> for services ( <a href="#">balance billing</a> ). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your provider before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	<a href="#">Specialist</a> services must be provided by an in-network provider, per visit co-payment will apply.

All copayment and coinsurance costs shown in this chart are after your deductible has been met if a deductible applies.
